Cycling to School Agreement

I would like my child..... inclass
to cycle to school and agree to the following conditions:

- The bike is my responsibility
- The bike will be stored in the school's designated cycle area and secured using a padlock which I/we will provide.
- I understand that the school does not have insurance cover for personal equipment and therefore is not responsible for its security.
- My child will wear a cycle helmet when cycling to and from school.
- My child will be accompanied by an adult when cycling to and from school, until they have evidence of gaining the Cycle Training Award.
- I realise that if my child is found cycling in a dangerous manner they will be banned from cycling to school.
- I will let the school know when my child is no longer using a cycle to get to school.
- I have explained the agreement to my child.
