St Philomena's
The John Fisher School

St Philomena's and The John Fisher each have a supplementary form, which must be completed and returned directly to the school for **all** applicants. For both schools by **31st October 2020**

Hints to Help You with Your Application

If you live in London or Surrey, you should apply online at www.sutton.gov.uk/admissions.

If you are unable to apply online, request the Common Application Form from the Local Authority in which your child lives and return the completed form to that Local Authority by 31 October 2020.

If you do not apply online or complete the Common Application Form your child will not be considered for admission to any school.

On the application you must list all the maintained schools that you wish to apply for (not independent schools), wherever they are located, in the order that you prefer them. You can apply for up to 6 schools. Put your most favoured school at the top, working down to your least favoured at the bottom.

If you fail to include a school that you wish to apply for on your application, your child will not be considered for that school.

Each school will consider your application according to its admissions criteria, without knowing where you have placed them on the form, or which other schools you have applied for. A summary of the admission criteria for Sutton schools will be contained in Sutton's online booklet (available during the summer holidays) or look at the schools' websites. If you are applying for schools outside of Sutton, please obtain a copy of the Local Authority booklet for details of the admission criteria, as criteria may be different for each school and borough.

Some schools require a supplementary form or online registration to provide additional

information to apply their criteria. If you are applying to one of these schools (see overleaf for Sutton schools), you must make sure that you complete and return the supplementary form/online registration by the date specified. If you are applying to schools outside of Sutton, you must find out if they require a supplementary form/online registration.

You are advised to apply for as many schools as possible. The more you apply for the greater the likelihood of being allocated a school place on 1 March 2021. If you apply for more schools after the allocation because your child has not been successful for the ones you initially asked for, there is no guarantee that vacancies will arise.

If there is anything you do not understand about the secondary transfer process, please contact Sutton School Admissions

Telephone number: 020 8770 5000

The Greenshaw Learning Trust has been approved by the Department for Education to open a new Secondary school at Rosehill. Wates on behalf of the Department for Education submitted a planning application for the new school building, which was refused by Sutton Council's planning committee in September 2019. An appeal against the refusal of planning permission was due to be heard at a public enquiry in March 2020, however due to Covid 19 this was postponed until further notice. For further updates on the new school please visit www.greenshawlearningtrust.co.uk
