Dear Parents / Carers,

June 2020

Please see the message below from Sutton's Educational Psychology Service.

Following feedback from headteachers, school staff and parents we are providing an Educational Psychology Community Call Back Service. We recognise the unprecedented circumstances that the COVID-19 outbreak has presented to our schools, children and their families and would welcome calls on any concerns or themes that have emerged during the pandemic period.

The Cognus Educational Psychology Service Community Callback is open to all parents and carers who live in Sutton and school staff who work in Sutton. We hope to be able to offer you a safe and reflective space in which you can share any questions you have or anxieties you may be experiencing during this time.

Calls are available on: Tuesdays, Wednesdays and Thursdays during the school and setting closure period with some evening slots available.

Here is the link to the form to book a slot "Educational Psychology Service - Phone discussions for parents & school staff":

We hope you find this useful and would welcome any feedback from your experience of using our Call Back Service.

We look forward to speaking with you.

All the very best,

Mrs Deepika Soma
SENDCo

'St Dunstan's – a thriving Christian school, guided by the Good Shepherd, founded on faith, inspiring the best in everyone.'
