## Mobile Phone School Agreement

We recognise that mobile phones are part of modern everyday society and that many parents like their child to carry their phone with them for safety reasons and/or ease of contact before or after the school day. We are only allowing children who are walking unaccompanied or other exceptional circumstances to bring a mobile phone to school.

The school permits that a mobile phone may be brought to school provided that the child and parent agree to the rules below;

- On arrival at school, the mobile phone is switched off.
- As soon as the child is in class, the mobile phone is to be handed to the class teacher and it will be stored in a secure place.
- I understand that the school does not have insurance cover for personal equipment and therefore is not responsible for its security.
- Failure to comply with these simple rules will result in the child being unable to bring a mobile phone to school.
- I have explained the agreement to my child.
- Any mobile phones brought into school without a signed agreement will be confiscated and returned to parents at the end of the school day.
- My child will be walking to / from school unaccompanied and I give permission for ..... in.....class to bring a mobile phone to school and will support the school in enforcing the above rules.

Signed.....Parent / Carer

Signed.....Child Class .....
