Message from the Headteacher

Academic year 2021-2022 is coming to an end and what another incredibly busy and successful year it has been with so much achieved and so many things to be thankful for! Thank you to the whole school community for working tirelessly to ensure another year of successful learning and great progress. Congratulations to Year 6 on leading a wonderful and moving Leavers' Service this morning. It is now time to say a fond farewell to Aquila and Cygnus 2022 who have had another great year, achieving amazing results and showing such confidence as they prepare for their next stage of their lives at Secondary School. We wish every one of them the very best of luck and send them out with our love and prayers. Well done Year 6! Ms Corby sends her best wishes to you all as she continues to make good progress with her recovery.

Thank you once again to our PTFA who have continued to raise funds for our school enabling all our children to benefit.

On behalf of all the staff and governors, I would like to wish each and every one of you a safe and enjoyable holiday and we look forward to welcoming you back on Monday 5th September. God bless you all.

Mrs L Porter

Quote from the Parental Questionnaire

'We are a Christian family and our faith is important to us. I am grateful that my eldest is attending St Dunstan's where faith is the pillar of their learning journey.'

Year 6 Leavers' Service

Goodbye & Good Luck Year 6

St Dunstan's Church was packed full this morning as the whole school said a final farewell to our Year 6 pupils. The Year 6s led us through their journey from arriving as four-year-olds; to making special friendships and memories; to experimenting with Greek food and much more besides. They also made it clear that, although they may like to stay with us a little longer, they are more than ready to move on to their secondary schools and grasp all the opportunities and challenges that come with that new chapter. The younger children reminded the Year 6s how important they have been as role models and how much we will continue to think of them once they have moved on. The service was a fitting celebration of the many years Year 6 have been with us and we wish them all the very best as they move onward and upward.

Congratulations

To everyone who has taken a piano, ballet and jazz exam this term. Well done to you all for your achievements.
