

Reception News

17th October 2022

The last few weeks have just flown by and we are already at the end of our first half term. We are so proud of all the children and the progress they are making and are so grateful for all that you are doing at home to support your child's learning!

We continue with our focus on the senses and this week we are talking about taste and smell.

Mathematics:

We will be playing various maths games and focusing on the language **more** and **fewer**. Please reinforce this language at home. We are also using language to describe position - **over**, **under**, **next to**, **in**, **on**, **in front of**, **behind**.

Literacy:

Please revise all the letter sounds taught so far (s/ a/ t/ p/ i/ n/ m/ d/ g/ o/ c / k/ ck/ e/ u/ r)

This week's sounds are: **h, b, f, l**

High frequency words: **the**

Please also review: **I, is**

We hope you have a lovely half term. The children are trying very hard to undress and dress for PE. Please encourage their independence in this area during the break if you can especially getting their coats on and off independently.

Best wishes,

The Reception Team
