

Reception News

2nd May 2023

Dear Parents/Carers,

This week we take a break from our 'Creep Wriggle Crawl' topic to focus on the Coronation. We will find out more about King Charles III, create a Coronation timeline and our own royal portraits; write lists of coronation party food and enjoy lots of role play and storytelling!

In RE this week, we will share the story of [Jesus healing the blind beggar](#) and consider how Jesus 'rescued' people who could not see.

Phonics: We will focus on CCVCC (consonant consonant vowel consonant consonant) words, such as *stamp*; CCCVC words, such as *string* and CCCVCC words, such as *scrunch*.

New tricky words: *were, here, little, says*

Please continue to practise these digraphs and trigraphs at home:

ai	ee	igh	oa	oo
ar	or	ur	er	oo
ow	oi	ear	air	

Please continue to help us by practising **reading and writing** Phase 2 and 3 tricky words at home and using them in sentences, which encourages fluency in reading and writing. Encourage your child to use the tripod grip when holding a pencil.

Handwriting: This week's letter is **n**, and the catchphrase is 'Down the handle and then up and over the net.'

Maths: We will continue to explore number sequences, ordering numbers and counting games to 20, and focus on using ten frames to represent these numbers.

Thank you for your continuing support! The Reception Team
