## Phonics

**Focus sounds:** i,n,m and d

**High Frequency words:** I

Please practise these as well as last week's sounds (s,a,t,p) frequently and regularly at home with your child.

Please look out for the **phonics activities** shared on Evidence Me today.

Please note that we are working on letter sounds, not letter names.

## Maths

This week we are working on comparative language

Comparing size: **taller/shorter; large/ small**

Comparing length: **longer/shorter**

Comparing amounts: **more/fewer**

## PE

We all really enjoyed our first 'Real PE' session last week! Please support your child's independence by encouraging them to get dressed and undressed by themselves at home. This is something that all of the children need to work on. Please make sure that all items of clothing are named.

## Holiday photos

The children who have brought in photos have enjoyed showing them to the class and we have had some lovely discussions about them. Please send in a holiday photo if you have not already done so.

## Other

We are continuing to talk about similarities and differences between ourselves and others, the names of different body parts and our 5 senses.

Many thanks for your support!
